

Christmas Tree Growers Guidelines  
Effective 10/1/ 2010

- 1) Operating hours: 8am-8pm Monday-Saturday 10am-6pm Sunday
- 2) Space size Farmers Area I 12.5' x 50'
- 3) Each 12.5' x 50' space is \$31.00 per day. All wreaths, roping, etc. \$6.00 per load.
- 4) Sellers committed to 20 days, beginning November 22, can use up to 3 spaces (12.5' x 50'). All others will be limited to 1 – 12' x 50' space. All vehicles used for shelter from the elements must be parked within your rented spaces.
- 5) An empty space will be maintained between each permanent vendor when possible.
- 6) Additional space for tree storage will be provided at no addition cost.
- 7) Reasonable outside decorative lighting may be permitted. Check with market management prior to adding any electrical appliances.
- 8) There will be a \$2.00 per day charge for all electrical heaters. Radiant propane heaters are encouraged since electricity is limited. No open flames will be permitted.
- 9) The truck of each tree displayed must be within the lines of the spaces between sellers and all branches must be within the space at the front and back of the spaces.
- 10) Seller must prepare some type of rack or stand arrangement to display trees. Buildings are tall with no overhead beams or roof supports to use. No spikes, pipes, wire cables, etc. can be driven into the pavement or tied to overhead beams. No drilling of holes in the metal columns or mounting of hardware in a manner which might damage the paint will be permitted.
- 11) Spikes used to hold trees for display must be covered at all times a tree is not on display.
- 12) Vehicles, trailers or anything that blocks the view of other sellers cannot be used.
- 13) Growers with power saws, display spikes or another equipment that could cause injury must sign a statement to release the Piedmont Triad Farmers Market from any liability for their use.
- 14) All loads must stop by gatehouse for product reporting and payment before proceeding to selling areas.

- 15) Each vendor committed to sell 20 days will be allowed to use one parking space as a work area to prep and bag trees.
- 16) Each vendor committed to sell 20 days will be allowed to store trees on a trailer or on the grass along the curb on the east side parking lot at Farmers Area I.
- 17) All pricing will be displayed on individual trees only. No sign or banners advertising prices will be allowed.
- 18) Any new grower wanting to sell on the Market must have the required paperwork submitted and approved by October 15<sup>th</sup> of the year they wish to sell.
